The world Michelle creates is fantastic! Any book with a strong, kickarse heroine is the book for me and this book has one. I really liked Sam.

My mind hungers for details, details, details and this book certainly gives you

Also the character of the Lady in Black. Quotes from Wander Dust. The experience left her unconscious.

The chapters were really short, and most of the plot twists were rather predictable

if I can't conjure the place from an authors writings I make up my own in my head, but there was no need in this case

because she wrote it so elegantly that I understood completely. Wander Dust is easily a 5 star novel and I will be reading the story again very soon!
