Companies like Netflix and Spotify are just the tip of the iceberg for the subscription model. Using this approach, the authors are able to explain many puzzling phenomena, including patterns of drug use, how love affects marriage patterns, neighborhood segregation, the prices of fine art and other collectibles, the social side of trademarks, the rise and fall of fads and fashions, and the distribution of income and status. *Jones Journal of Economic Literature*.

The insight that I have gained through reading this book cannot be measured by More important, they also provide a way of analyzing how the social environment itself is determined by the interactions of individuals. De Gaulle draws on unpublished letters, memoirs, and papers in the newly opened de Gaulle archives that show how this volatile and inspiring leader put his broken nation back at the center of world affairs.
