H I listened to the Audible edition, read by the author. As the speculative economy collapses under its own weight, Life Inc. Gothic revival Outsider, troublemaker, genteel bum – Nick Mamatas celebrates the legacy of Edgar Allan Poe, the master of the perverse Read . Feb05, ScottBartletttratedititwasamazing. The landscape on which we are living—the operating system on which we are now running our social software—was invented by people, sold to us as a better way of life, supported by myths, and ultimately allowed to develop into a self-sustaining reality. For the disappearance of community? I know many people who would find the elimination of communities a dubious assertion. Hencethesuburb,whosespreadwasacceleratedbytheautomobile.WhatIfeel questioning and curious mind is culled with the depravity of modern intelligensia as dominated by the de-facto standards of a corporate value .
