Well, our snarky detective is back at it with a new mystery to solve. Although Anne didn't want to stay at Wheatley, she acknowledged she hadn't much choice in the matter, so might as well do with it in the meantime.

Is it possible to care so much and yet give zero fucks at all? Unless you're Anne... I didn't like that this adventure took part almost always away from school because the appeal for me in this series is that the setting is a boarding school. This series is a gem. Want to Read saving...

Perhaps, I had started to glorify the brilliance of Kara Taylor's debut a little up this series if you're into protagonists who do the right thing because it's the right thing.
