The duality is our community is not ready for female leadership and it is not ready for women of color in leadership roles. After challenging the ideas of stereotypes and bias in team performance, participants will learn which skills and characteristics support - and which hinder - their individual career progress, as well as how to maximize their impact as female leaders.

On the second day you will work in groups to practice and refine nuanced ways of conveying the tenets of transformational and charismatic leadership. So different leaders have different goals; they don't all share the same vision, skills or qualities. I am a leader. On the second day you will work in groups to practice and refine nuanced ways of conveying the tenets of transformational and charismatic leadership.

Target audience Female managers and leaders in middle to senior leadership roles, who have managerial responsibility within their organization or are leading large projects.
