The chest is in this game, giving players somewhere to store all their items. The only reason I managed to stomach the cumbersome, forced co-op and horrendous inventory system in the first place is purely because I am a fan of the franchise, and it reminded me of those good old days in the 90s when I first played Resident Evil 1, 2 and 3. Retrieved April 21, Resident Evil Survivor 2 Code: Nemesis in both for the PlayStation. For the first video game in the franchise, see Resident Evil video game. For other uses, see Resident Evil disambiguation. The books are a two-part direct novelization of the game and have been published. Resident Evil 4 follows Leon Kennedy's mission to rescue the daughter of the president of the United States, who has been captured by a Spanish Cult led by Osmund Saddler, the Illuminados. The story serves as a prelude to the events of the original Resident Evil in which Chris investigates the disappearance of his missing friend, Billy Rabbitson.
