Once i had finished it though it was a good read i was pleased i read it, it does have some really good moments in the book and i cant remember the name of the woman that worked in the shop but she was funny. I love the ending. SadiKevin and their families ignited my interest in Irish history, religion and language.

It is about the everyday life of folk, who just want to live in peace and have even. I liked this book because it was a romance and because most of the main characters had different views on Kevin and Sadies' relationship. Write a customer review. Other books in the series. I am an Austrian and read this book quite fast! Feb 28, Maria rated it it was amazing. All five books in the series deal with the prejudices and complications that religion has on relationships and the family.
