You should get presents from everybody. One person found this helpful. I turn 60 next week, and I have had a long, wonderful life. Would you like to report poor quality or formatting in this book? A story like The Forest Dweller comes along and has you spooked! The The Forest Dweller stage, the time of most active engagement in the world, tends to be the part of life Americans think of as definitive, but it is only one among four for Hindus and not necessarily the most significant personally.

The parents act strange and go about their normal routines. This is a really wonderful piece, Wendy! Of course we do not send our old folks out with begging bowls to wander the streets of Manhattan and Minneapolis.
