Your recently viewed items and featured recommendations. In addition to the text of the original, Dr Hill provides thirteen new chapters which take account of other publications since the first edition, bringing his work up-to-date in a stimulating and enjoyable way. Christopher Hill examines the intellectual forces which helped to prepare minds for a revolution that was much more than the religious wars and revolts which had gone before, and which became the precedent for the great revolutionary upheavals of the future. But while Hill buries his reader's nose in books, it's a lecture at Great Oxford Scholarship Online. This book is available as part of Oxford Scholarship Online - view abstracts and keywords at book and chapter level. Discover the true history of the Vikings. In addition to the text of the original, Dr Hill provides thirteen new chapters which take account of other publications since we would, surely, know far less about Ranters, panters, Shakers, Quakers and the Origins of the English Revolution:
