"Not Dead, But Sleeping" - Focus Online

Man was dead for two minutes at a time after a motorcycle crash and been sleeping a long time, when in reality it's only been about 15 minutes. Much like a dreamless nap, you don't just wake up and feel like time just.

Are the Dead "Asleep"? : Christian Courier

The dead are figuratively in a state of sleep, awaiting the resurrection. It is not a normal "sleep," of course. It is a sleep in which there is no thought, brain activity.

Finally, let's examine another passage from Paul's first epistle to the Thessalonians: A good way to picture the relationship between the body and the spirit is to draw a comparison to a computer. Without a living human body either mortal or spiritual to interact with, the human spirit is unconscious, in a state similar to sleep.
