IB Psychology Study Guide: This includes many test questions with answers and explanation. I am enrolled in a review course, and in hindsight, I wish I wouldn't have taken my review course and instead spent a fraction of the money on your program.

It will more than pay for itself relative to the time it will take you to test write.

I am enrolled in a review course, and in hindsight, I wish I wouldn't have taken my review course and instead spent a fraction of the money on your program. It is a great choice! I read the guide through only once before test time and needless to say, the only way I passed was thanks to your refresher!! I did not realize, when I purchased this book, that it was published in and has includes many test questions with answers and explanation.
