How can we make the governments on which we depend for our welfare and survival behave like servants rather than masters? What's to be done?

JustamomentwhilewesignyouintoyourGoodreadsaccount. This is the oldest question in politics. How can we make the governments on which we depend for our welfare and survival behave like servants rather than masters? The old democracies of western Europe and North America have achieved a rough balance between being too strong and too weak, yet still suffer from constant crises of moral purpose.

JustamomentwhilewesignyouintoyourGoodreadsaccount. The problem is that he does an excellent job of analysing and identifying the behaviour of state's and the people they govern, but I'm not sure he presents a convincing case for how to resolve some of the serious problems we are facing today.
