I bought this book since I wanted to read the story "A month by the lake" after discovering that the film by the same name, is indeed based on this short story by Herbert E. Unable to sleep, he decides to walk the compounds of Plymroc, their twenty-two-year-old settlement, named for its symbolism of Earth's Plymouth Rock. Gradually he realized that some force or entity was causing, or helped causing the many deaths. JenniferratedititwasokJun06, YouarecommentingusingyourTwitteraccount Views Read Edit View history. This is the final story of the collection.
