The new base unit had the mission of servicing, dispatching, and maintaining transient and locally based aircraft. In spite of the difficulty of building an installation and initiating an entirely new program simultaneously, the base developed into a highly specialized training center. The combatives portion of the class taught airmen defensive moves used during. Archived from the original on The base will start receiving the first of 36 tankers in From Wikipedia, the free encyclopedia. The unit became operational in the summer of They converted to that designation in
