Arguably the most important recent contribution to the study of early prints was the exhibition Origins of European Printmaking: The Pennsylvania State UP, In publishing the Danse, Marchant was therefore at the forefront of a completely new format of printed matter in France – the illustrated book. A Couple Embracing, engraving, c. To be a ble to work fast, it was necessary that The popularity of the printed books is typically discussed not through the context of the early printing industry or the conditions in France at the turn of the century, as would be logical, but in relation to the mural from which they developed. The mural, however, did endure, at least to some extent, though the printed editions of the Danse initially made by Marchant. Printers such as Marchant and Husz augmented the work by adding new figures, new verses and additional illustrated texts, hence encasing the Danse in a framework that diverges significantly from the original fresco model.

The centrality of the book in the heart of the period should actually help explain
in *Medieval and Renaissance Mural Painting*, eds.
