the space power and politics series will provide a forum where space policy and historical issues can be explored and examined in depth the series will produce.

Without strategy and policy, space activities continue to provide value in light of rapid developments in technology and politics. This entails space and national power and the interdependence between space and military.

Without strategy and policy, space activities continue to provide value in light of rapid developments in technology and politics. This entails space and national power and the interdependence between space and military.

### **Space Strategy, Policy, and Power - International Relations - Oxford Bibliographies**
