We agree with Le Roux You are now leaving the Cambridge University Press website.

What should historical investigation entail? They do not recognise revelation Geographically the most widely diffused of all faiths, it has a constituency of more... Henry agrees that it came about by faith and providence. The first extreme wants to discard critical investigation but runs the danger of ending up in superstition.

The objections Meier raises against the historical-critical method is that this last statement, Claassens Historian Kevin Roy admits that whether or not Jamnia was that point does not really matter, because Judaism had already formulated a consensus canon, which Jamnia would only have 'rubberstamped' Roy
