Those whose seek legal and paralegal jobs will find this book to be a rich resource.

Real-Resumes for Medical Jobs Anne McKinney The medical field is a fast-growing one, and this "targeted" resume and cover letter book will help you enter and advance in this "land of opportunity." The best way to enter a new industry is to look and sound as though you "belong" to the field, so there are resumes to help the career-minded find their first job in the financial world. Even within the nursing field, there are a variety of positions, and this book shows samples of resumes and cover letters that worked for real people.

No matter what industry is targeted--grocery, retail, hazardous materials--this book is an indispensable tool in an era of downsizing when research shows that most of us have not one but three distinctly different careers in our working lifetime. Its driving motivation was to help military professionals transition from military service by creating resumes and cover letters that "translated" their experience into "civilian language."
