In addition to Girl of the Shining Mountains reviewed above which gives Sacag  
We were less than two weeks into our journey and the snake had already tried to kill us on several occasions. His job working for a children's zoo began a year career as a zookeeper.  
Then the novel opens in when two former members of the expedition discover Seaman  
submitted the following rating and review. I was expecting to get more of this great journey as the expedition had to head back over the Rockies on the return trip.
