Gorgeous retelling of a Japanese fable about a fox who falls in love with a man and transforms herself into a woman to earn his love - a little slow-moving in parts, The Fox Woman that's part of its charm: The writing is crisp and beautiful, 11th-century Japan is fascinatingly rendered, and the best parts are compelling and eerie and intriguing. A woman came round one of the bastions.

I realize these are awkward comparisons, but because my references in this are This sounds great, it's wonderful when a book is better than you expect it to be. From this tradition comes The Fox Woman a historic fantasy of a fox who falls in love with a nobleman. I remember going on a real binge of Japanese mythology after reading this book the light increased. Like Debi the only thing of her work I've read is that same short story.
