Intro to 2-voice inventions Another excellent preparation for 2-voice inventions. Effective at a slower tempo. It is a bit more difficult. Presto 5 Allegro moderato 8 Menuet and trio 5 Finale: Excellent as a study replacement. Here Scarlatti succeeds in making conventional harmonies with slight changes sound quite extraordinary for the period. Great show off piece. Excellent exercise in equalizing the hand stone, and can also be used as a seed for free improvisation.
