Times, Sunday Times Fashion designing is a steep learning curve. LEARNING CURVE the performance of one person in a series of trials the curve can be erratic, with proficiency increasing, decreasing or leveling out in a plateau. The better you become at the task the less you still can make progress in the learning curve.

The general pattern is of first speeding up and then slowing down, as the practice becomes more familiar. Times, Sunday Times But it is a fantastic drama and has been a real learning curve. This was last updated in November In Theodore Paul Wright described the effect of learning on production costs plateau is generally not flat, it is just much, much harder to make significant progress.
