Key text for anyone interested in current-day Islam or labor issues. One person found this helpful. The demonization of Muslim migrants in times of crisis, such as the War on Terror, is then used to justify arbitrary policing, deportation, and criminalization.

In sum, this is an excellent book and would be of interest to scholars across all disciplines. In Terrifying Muslims Junaid Rana helps us to see how the political and socio-economic processes of neoliberalism have constructed a racialized figure out of the religious category of Muslims.
