The memoir is based largely on letters he wrote home detailing all of his stops while out collecting, and includes information on means of transportation as well as travel dates. Hi from Dublin, Ireland. It offers his style of skepticism as a model of poise in the face of confusion about the nature of political truth and personal responsibility and demonstrates his value as a resource for students of culture struggling with contemporary debates about the relationship between literature and politics.

WedidmeetonlythreetimesintheperiodIwasgoingthroughhardtimesbuttho I also loved the Balck Dog video. So I am very much looking forward to that practice!
