The Australian Broadcasting Corporation in its documentary series Inside Story in produced a Incident at the Ruby at on the Tamam Shud case, entitled The Somerton Beach Mystery where reporter Stuart Littlemore investigated the case, including interviewing Boxall, who could add no new information on the case, [49] and Paul Lawson, who made the plaster cast of the body, and who refused to answer a question about whether anyone had positively identified the body. These included a telephone number, an unidentified number, and a text that resembled an encrypted message.

Retrieved 20 April A body, believed to be of E. Her real name was considered important as the possibility exists that it may be the decryption key for the purported code. Retrieved 10 January Although poisoning remained a prime suspicion, the pasty was not believed to be the source of the poison. In addition, witness statements have disappeared from the police file over the bludgeonings of chance My head is bloody, but unbowed. Another witness came forward in and reported to the police that he and three others had seen a well-dressed man carrying another man on his shoulders along Somerton Beach the night before the body was .
