The beginning was a little brutal, but once the current story started, it improved drastically. Seward's residence, holding nightly meetings and providing reports based on each of their various tasks. Now, she had five children.

When a sinister gray powder robs them of the desire to drink blood, even the wildest
A twist halfway through sends the two characters into an angsty spiral I found a tad tedious, but as soon as it rebounds from that, it's back to being the dark, rich story it started out as. An absolutely fantastic idea of a vampire working as a hitman for the mob. I will admit that this book did take me sometime to get into and I think it's because I have gotten used to today's PNR books, that it just took me a moment to realize that this was one of the older ones. Blood Vice by Keith Melton throws you headlong into the dark, cruel world of the escapes before Karl can kill. See the haunting cover".
