That question haunts a young boy on the day his grandpa dies. He recently produced a documentary film, Dream Big, profiling seven winners of the Barron Prize. My grandpa is the only grandparent i have lost.

Everybodysharestheir own story to each other, and I think this screen is touching. This is a good perspective, and one that kids will willingly accept and will most likely make them happy thinking about their grandparent. The majority of the story is a summary narration Where Is Grandpa? the characters are having flashbacks of memories to carry the story. It shows that even if they are gone it doesn't mean they aren't always with you. I would have this book at home, but not at school. I imagine this book will fit in best with readers from rural or outdoorsy families, who can relate to memories in nature with loved ones. I also really enjoyed this story because of the life like illustrations flowing from page to page.
