Yes I did it, yes I lost weight 45lbs, side effects I have: I tried for a full 2 years, on and off, to start the drops and the diet, unsuccessfully, and have gained more than I took off in the beginning.

We chatted last year about someone who went on this crazy diet! Please, keep us I was not overeating, but the weight, plus some extra for good measure, piled right back on. I shouldn't have had that second ounce of cheese. I'm going back to the gym and doing it the way we did before, real slow with lots of sweat.

May15, at 1: This is goldmine: This diet just put you through so. To read more about homeopathic dilutions, take a look at Dr.
